Experience complete care in a comfortable environment.

Whether it's from across a crowded room or up-close and cozy, to someone you're about to meet for the very first time or to the one you love most...a smile says a whole lot. When you choose Dental Associates, your smile will say it all.

We know that your dental health has a huge impact on your overall well-being. In fact, it's proven that people with a healthy mouth are more likely to have a healthy body and live a longer, happier life. Taking the steps to maintain your happy smile should always be a pleasant experience.

Whether you need preventive care, restorations, cosmetic treatment, or a combination of services, our caring professionals will treat all of your family's dental health needs in one convenient, comfortable location. During your initial registration, we will work with you to select the facility and dental team that is the best fit for you.*

*Dental Associates is no longer accepting new Medicaid patients.

Trust our team of experts to keep you smiling.

From the front desk to the treatment room and everywhere in between, at Dental Associates you will always receive personalized care. And with expertise that spans each level of service, you can be confident you will receive the highest level of care every step of the way.

Your personal dental team starts with a general dentist, a hygienist and support staff. Should you ever need further care, our full-range of specialists are always available to provide on-the-spot consultations and perform any necessary treatment—all at your local Dental Associates office.

Know you can always expect:

- Quality care at affordable prices.
- Experienced, caring dental providers.
- Specialists available on-site.
- Convenient hours.
- 24-hour urgent care.
- Patient-financing plans.

For your convenience, our staff members will verify your insurance benefits, pre-authorize services and submit claims to your insurance company. For non-English speaking patients, interpretation services can be arranged.

REST ASSURED; WE'RE EQUIPPED TO PROVIDE ALL DENTAL SPECIALTIES.
